Members Present

Peggy Appleton, Board Vice-President
Patricia D. Jones, Board Secretary

Terry O'Brain, Board Member

The meeting was called to order by Mr. Eidson, at 6:00 p.m.

Public Comments

Courtney Whitley – came before the Board to speak about the heavy traffic/parking around the homes in the neighborhood by the high school. The students at HHS are parking around her house and others in the neighborhood. When checking these vehicles, out of 100 cars, only 10 had the HHS parking sticker on the car. She and those in this neighborhood would like for the schools to help in trying to get the students to park where they need to park. Ms. Whitley would like insurance and licensing not to be an issue in order to get a parking sticker....as many parents can't afford the insurance. She also asked about the parking area around Watson Stadium. The neighborhood is concerned about so many vehicles parked around their homes during the day...service people can't even get to the necessary homes they need to get to because of all the students parking on the street instead of at the high school.
