

**LEGAL NOTICE**

**INVITATION TO BID**

**FOR  
HOBBS MUNICIPAL SCHOOLS  
HOBBS HIGH SCHOOL NEW ALTERNATIVE HIGH SCHOOL  
BID NO: 0910-21**

The Board of Education, **HOBBS MUNICIPAL SCHOOL DISTRICT**, will receive sealed bids in the Superintendent's Office located at 1515 Sanger Street, Hobbs, NM 88240, for the project described herein no later than **2:00, PM** local time on **February 11, 2010**. Bids are to be addressed to the Purchasing Agent with the bid number, date and time marked on the outside of the envelope. Delivery of bids is the sole responsibility of the bidder, and late bids will be rejected as non-responsive.

**Project bid/contract documents** may be obtained from the location(s) listed below. A deposit of **\$150.00** is required for each set of project bid/contract documents, refundable upon their return in good, useable condition within **ten (10)** days of Bid Opening. All bonding, wage rates, and DOL registration requirements as stipulated in the New Mexico Statutes and Bid documents shall be applicable.

**Pre-Bid Conference** will be held on Wednesday, January 27, 2010 at 11:00 am, at the District Central Office in Hobbs, NM. **This is a non-mandatory meeting.**

**Description of work:**

Base Bid: Construct approximately 15,791 square feet of educational classrooms, support facilities and laboratory spaces. Construction includes slab on grade, masonry bearing wall and column/beam exterior walls. Brick veneer, stucco and cultured stone will be used for exterior finishes. Built-up roofing and standing seam metal roofs will be used. Aluminum storefront, windows and entrances are used as well as hollow metal doors, frames and overhead doors. Interior walls will be CMU, metal studs with gypsum board, both painted. Floor finishes include VCT, carpet, polished concrete, ceramic tile. Ceilings include acoustical suspended systems, painted exposed structures and gypsum board. Custom cabinetry, window treatment and food service equipment are included. The building will be provided with electrical, communication, technology, natural gas, plumbing and heating and cooling systems, lighting and electrical power. Site improvements include new concrete and asphalt paving, landscaping and irrigation and site furnishings.

**Project Bid/Contract Documents are available as follows:**
