Hobbs Municipal Schools
Job Description

Position: Physical Therapist

Supervisor: Director of Special Education

General Job Description: To provide physical therapy services to identified eligible special education students for the prevention of increased disability wherever possible, through the development of compensatory motor skill and identification, adaptation and adjustment of equipment when needed.

Qualifications:
1. Must be licensed by the New Mexico Physical Therapist Regulation and Licensing Board and the State Department of Education.
2. Bachelor’s degree from an accredited university program in physical therapy is required for licensing.
3. Must obtain a minimum of 2.0 CEU’s (20 hours) per year as per licensure requirement.

Essential Duties and Responsibilities:
1. Demonstrate knowledge of handicapping conditions and their effects on sensory, motor, psychosocial and cognitive development of students with disabilities.
2. Demonstrate knowledge of local, federal and state regulations and procedures pertaining to the provision of physical therapy services in the school setting.
3. Demonstrate knowledge of major theories, treatment procedures and research relevant to providing physical therapy services for children with disabilities.
4. Select, administer and interpret appropriate assessment instruments and procedures taking into consideration the student’s age, developmental level, disability and educational needs.
5. Assess the functional performance of students with disabilities with the school environment.
6. Engage in consensus decision making as a member of the IEP team.
7. Plan and implement intervention strategies using direct therapy, monitoring and consultation.
8. Communicate effectively (orally and in writing) with education personnel, administrators, parents, and community members.
9. Explain the role of physical therapy within the educational setting to education personnel, administrators, parents and community members.
10. Document assessment and intervention results in the proper manner for a school setting and to relate this information to the educational goals of the student and provide timely progress reporting.
11. Develop, implement, evaluate and modify according to the physical therapy program within a school setting.
12. Provide services to special education students determined eligible through the evaluation/placement/review process.
13. Direct therapeutic services aimed at the prevention of increased disability where possible.
14. Develop compensatory motor skills.
15. Identification, adaptation and adjustment of equipment when needed.
16. Provide instructional recommendations to be carried out in the classroom.
17. Assess student’s progress toward mastery of goals/objectives established by the IEP.
18. Provide supervision to any LPTA (Licensed Physical Therapist Assistant) or PT Aide providing services in the schools.
19. Conduct assessment of students referred through the evaluation process.
20. Participate in the program plan for individual students.
21. Provide intervention for students identified as needing service by the IEP team.
22. Demonstrate management skills.
23. Complete Medicaid billing requirements.
24. Maintain required continuing educational units.
25. Complete other tasks as deemed appropriate by the immediate supervisor and/or the superintendent.

Additional Duties and Responsibilities:
1. Provide evaluation services as required for identification of eligibility and maintenance of service.
2. Evaluate students referred for special education services according to regulations.
3. Reevaluate students receiving physical therapy services according to regulations.
4. Interpret the results of the evaluation and summarize the finding in a written report.
5. Serve as a member of the multidisciplinary team in determining need for service.
7. Serve as a member of the IEP team for students initially evaluated and considered for services and for annual review and evaluations for students receiving services.
8. Provide information to the committee to assist in the IEP development process reports and other types of information as appropriate.
9. Complete annual reports for the IEP committee.
10. Involve parents in the decision making process and the delivery of service.

Work Environment:
Must be able to work within various degrees of noise, temperature and air quality. Job responsibilities require both inside and outside assignments. Interruptions of work are routine. Flexibility and patience are required. Must be self-motivated and able to complete job assignment. May work directly in teacher’s classroom, a vacant room, storage room or unheated hallway. Must be mindful of child’s safety during class changes if working in hallway. This job requires much traveling in a given day, dependent upon student caseload in a school district. May make site or home visits as needed. Must be able to work under stressful conditions.

Physical Requirements:
Must have thorough understanding and usage of proper body mechanics and lifting techniques. This position requires much driving, lifting, carrying, reaching, crawling, squatting, climbing, kneeling, and sitting on the floor during therapy.

Safety and Health Requirements:
1. Bloodborne Pathogens Standard Training
2. Knowledge of injury prevention
3. Training in First Aid and CPR

Equipment/Material handled:
Must know how to properly operate or be willing to learn to operate all multimedia equipment including current technology. Wheel chairs, adaptive equipment seating devices, walkers, crutches, assistive devices, therapeutic equipment, therapy balls, bolsters, weights, etc.

Terms of Employment:
Salary and work year to be established by the Board.
