

Surveys of Enacted Curriculum (SEC)

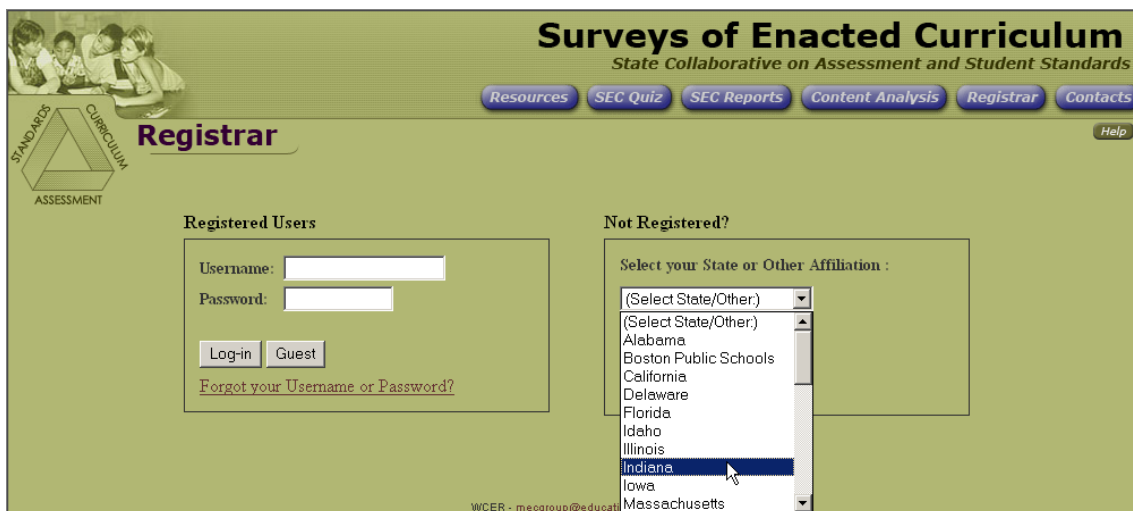

Registering for Surveys of Enacted Curriculum

Go to: www.seconline.org

1. Click on the “Registrar” button along the top of the page.

2. Click on the drop down menu in the “Not Registered?” box on the right side of the screen to select your state (**New Mexico**). Click on the “Register” button to continue.

3. Please review the User Information Agreement and click on the checkbox at the bottom of the screen, if you agree. Click on “Continue.”

Note: By checking the box at the bottom of the page, it will only give the research staff at WCER the permission to release your data and name to the state for research purposes only. NEVER for any reason, will your data and name be shared with your district or school. You can choose to NOT check this box and your confidential data will be included in the district and school level data analysis.

TEACHER RELEASE STATEMENT:

By checking the box at the left I hereby give permission to release my name as part of the results reported to my sponsoring agency, in order to assist in their analyses. I understand that my name will not be released unless my sponsoring agency has provided a written statement to WCER insuring the results will not be used for teacher evaluation and that confidentiality of teacher results will be strictly maintained.

9. Please review the notes. Click on “Continue.”

You are about to enter the survey area.

NOTE: You do not have to complete all survey sections at one sitting.

Data is saved for each section as you complete it.

You may exit at any time by simply closing your browser.

When you log back in, any sections already completed will be identified for you.

Completed sections can be edited/revised by checking the box next to that section. Once you review the survey charts (results) for a given section however, you will no longer be able to edit your responses for that section.

10. Clicking on “Submit” will cycle you through the survey sections checked on the menu screen. The system will keep track of which sections you complete, and you may do as few or as many sections at one sitting as you like.

Instructions for Selecting the Target Class -- *Mathematics Instruction*
For all questions about classroom practices please refer only to activities related to instruction in the selected subject. If you teach more than one class in the subject area, select the first class that you teach each week. If you teach a split class (ie. the class is split into more than one group for instruction) select only one group to describe as the target class.

11. To log off, simply close your browser. When you log back onto the site any completed sections will be shown in green text on the menu screen.

Once all sections have been completed, you will be able to review your results and your group’s results on-line.
